The Theft Problem

Last year, more than 13,215 boats went missing and only 1 in 88 boat thieves caught; virtually none of those detained were prosecuted.

Boat theft and fraud are big business costing their owners and insurance companies millions of dollars annually. Like stolen motor vehicles, stolen boats are frequently sold on the black market or to unsuspecting consumers.

The Solution

NO MATTER THE BOAT THEFT PROBLEM, WE HAVE YOUR SOLUTION!

The United States Leads The World in Stolen Vessels Year to Year

- **WiFi CAMERA SURVEILLANCE NETWORK**
- **CUSTOM GPS TRACKERS FOR YOUR BOATS**
- **WiFi DIGITAL CAMERAS WITH RECEIVER**
- **SKYFIDELITY REAL-TIME GPS TRACKER**

SkyFidelity Security Services Helps Protect The People and Things you Value Most in Your Business — Your Boat Owners!

Which Business Security Company You Choose Matters

Why Choose SkyFidelity?

- SkyFidelity is always there to contact you and the police, fire department or emergency personnel right away when an alarm signal is received from your marina
- Enhanced protection from burglary, fire, boat theft, engine theft and related crimes
- SkyFidelity owns and operates a patented natural disaster communications network that allows your marina and boat owners to communicate via the internet when traditional phone lines are down due to natural disasters
- SkyFidelity's GPS Tracking System provides your boat owners with the assurance that if a boat theft occurs, immediate contact with police authorities and location of their boat can be obtained to recover the stolen property
- Stay connected to the SkyFidelity Camera Surveillance Security System using your mobile phone with remote secure video available with 30 day backup

The #1 Security Company in America for Marinas

- Only SkyFidelity can provide your marina with Multiple HD Video Camera Surveillance extending throughout your marina using state-of-the-art WiFi Access Point technology
- Fast Alarm response and easy-to-use systems
- Only SkyFidelity offers a GPS Secure Tracking System for Marinas
- Only SkyFidelity can provide HD Surveillance Cameras for your entire marina utilizing proprietary WiFi Technology Access Points
- 24/7 customer support available

Unparalleled Protection for Your Marina

WiFi Camera Surveillance Network from SkyFidelity

With proper deployment of WiFi Security Surveillance Cameras from SkyFidelity, potential thieves will know that your marina is protected. Surveillance cameras offer the number one deterrent from boat theft. Proper Camera Surveillance signage puts all potential thieves on notice that your marina is being videotaped 24/7

Custom GPS Trackers for Your Boats

- Track your boats from your iPhone-- or iPad or Laptop

Boats are expensive. Why leave them exposed and without tracking power? Custom GPS trackers from SkyFidelity ensure that your boats positions are always available. Track individual items in real-time from the comfort of your PC or smart phone. We provide customized trackers built for your boat owner's unique specifications.

WiFi Digital Cameras with Receiver

Capture surveillance footage day or night with this Digital Wireless Camera System

Protect your property with this high-quality, wireless camera system with included DVR receiver.

- **Full-color, Night vision Cameras**
